US Army Corps of Engineers

North Atlantic Division - Regional Business Center

2005 Small Business Training Conference & Small Business Fair

17-18 March 2005 – Baltimore, Maryland

Agenda

The conference provides 2 full days of informative learning opportunities spanning the breath of the Corp's Small Business Program. It will include on the first day a general session that will be filled with guest speakers from a variety of organizations to include the Corps of Engineers, US Small Business Administration, local government, and successful businesses. The general sessions will provide the latest information on legislation, policy, and Corps Initiatives associated with the small business program. The 2nd day will include time for face-to-face networking at our Small Business Fair. This Fair will give you the opportunity to strengthen relationships with both the Corps of Engineers but also selected large prime contractors currently conducting business with the North Atlantic Division- RBC.

Special Guest Speaker Topics

General Session:

- Department of Army - Small Business Efforts
- Veteran's Corps
- SBA Women Owned Small Business
- Top 10 Tips for Small Businesses
